

Your Health Connector at Vine Surgery is Sindy Uttley

Becoming healthier, happier & more connected can start here

Health Connectors are part of the team at your GP practice and can work alongside you to improve your health and wellbeing.

They offer one-to-one support and start by listening to what's important to you.

Health Connections Mendip also provides group support, training, resources and community projects such as Talking Cafés.

Give us a call today to arrange to speak to your Health Connector.
